TECHFILTER

TECHFILTER

S.P.U. (System Protection Unit)

Applications

- Recommended for use with all new Techline or UniTechline subsurface dripperline installations
- Where maximum precision and drip protection are required

Features & Advantages

- Prevents root intrusion.
- Delivers a low concentration (PPB) of trifluralin evenly to all drippers throughout the system.
- Replaceable Techfilter cartridge allows renewal of protection over many years.
- Sealed packaging dramatically extends shelf life and adds to filter replacement convenience.
- Easy, no-touch installation of cartridge .
- Provides ultra-efficient water filtration with performance far superior to screen type filters.
- Renewable warranty, activated when filter cartridges are installed and registered, gives you and your customers the opportunity to take advantage of a lifetime of protection.
- U.S.A. EPA approved.
