THE GREENCARE IRRIGATORS

The elegant, safe and simple irrigators for gardening, horticulture, sports and agriculture.

Introducing Rodney Industries' newest range of irrigators - the ORMA Hard Hose Travelling Irrigators.

The innovative high performance ORMA turbine drive allows the utilisation with various water qualities, including recycled and the possibility to add fertilizers.

Their range of irrigators are the result of the ongoing innovation and experience since the 1970s.

The ORMA irrigation machines are characterized by careful attention to details, robustness and ease of use.

Applications for the range include:

Turf Watering

playing fields, parks, gardens, lawn planting, golf courses, race courses.

Agriculture

Small crops, nurseries, turf farms.

“

For the irrigation of gardens, parks, sports fields, nurseries, golf courses and small areas you can not go past ORMA's simplicity and convenience.

”
